Classroom Guidelines:

Attendance: Students are expected to attend all lecture and lab sessions for this course, as scheduled. Students absent for medical reasons must provide documentation from their doctor / hospital upon return to class.

Assignments: Assignments must be submitted on or before the assigned due date. Late assignments CANNOT be accepted.

Missed Tests: Students are expected to attend and write all quizzes / exams for this course. Students missing quizzes / exams must provide medical documentation upon return to class, or a grade of zero (0%) will be assigned. Make-up tests CANNOT be provided. However, students missing quizzes / exams for valid, documented medical reasons, can discuss alternate evaluation arrangements with the instructor (ie: the value of the missed quiz will be added to the value of the next quiz).

Plagiarism: Absolutely no plagiarism, copying or sharing of work allowed. All students who are involved will receive a zero (0%) for the specific work that was copied, and a form will be placed in the student's folders. If you are researching from the Internet or text books, information must be paraphrased or changed into your own words with proper referencing provided.
